

INDUSTRY TAILORED CULTURAL AWARENESS TRAINING

Our mission as an Academy is to deliver culturally inclusive and competent training and employment models that embeds 'wrap around services' for Aboriginal job seekers, Aboriginal employees and employers of Aboriginal peoples.

Our aim as an Academy is to ensure economic participation for all our clients, and for many, this first experience is both a rewarding and a successful experience working with Aboriginal people, businesses and communities.

THE TRAINING WILL SPECIALISE IN THE DELIVERY OF:

Cultural insights

Family and Kinship

What is Racism and Guidelines for Challenging Racism

Engaging with Aboriginal People

Who are the Aboriginal communities in your state?

National Policies that have impacted on Aboriginal communities

Offsite Cultural Excursion

Myths and Myths-belief of Aboriginal people and communities

Aboriginal History - Pre-contact Occupation, Traditional perspectives and Traditional Boundaries

COST PROVIDED UPON REQUEST
